Description:

The Greatest Western Writers Of The 21st CenturyThe Kerrigans risked everything to stake a claim under a big Texas sky. Now one brave

woman is fighting to keep that home, against hard weather, harder luck, and the West's most dangerous men. A Ranch Divided. . . After a long hard journey up the Chisholm Trail, Kate Kerrigan is in Dodge City, facing a mystery of murder. A cowboy she hired, a man with a notorious past, has been accused of killing a prostitute and sentenced to hang. Kate still trusts Hank Lowry. And when a hired killer comes after her, she knows she has struck a nerve. Someone has framed Hank for murder--in order to cover up a more sinister and deadly crime spawned in the musty backrooms of the Kansas boomtown. . . Back in west Texas, the Kerrigan ranch is under siege. A wagon train full of gravely ill travelers has come on to the parched Kerrigan range, being led by a man on a secret mission. With Kate's son Quinn manning the home front, one wrong step could be fatal when the shooting suddenly starts . . .

The author didn't disappoint this time either. The unique item this time was that the heroine, Kate Kerrigan was not a very good cook, but could bake a mean sponge cake that was a favorite of British royalty. Kate and her cowboys get into scrapes from cattle drives to abductions.
